RE: US Patent Applications 09/923,181 & 10/682,759
Our References: Stand Alone-US and IO-US

Dear Examiner:

We have made several formal requests and several informal request beginning around September of last year for you to acknowledge various prior art references which we timely cited in the above-identified applications. Could you please inform us of the status of our requests?

Respectfully,

John Monocello,
Director of Intellectual Property and Legal Affairs

JM/lid

see how you feel
